TWICS	twics:<account>	DASNET SUB [DE3MIR] <account>!<subject>
Unison	unison:<account>	MAILMAN SUB [DE3MIR] <account>
UUCP Mail Net	<account>@host.UUCP	uunet!pyramid!cdp!<account>
Web	web:<account>	lgc:<account>
WELL	well:<account>	cdp!<account>

NOTES: Enter addresses shown at IGC's "To:" prompt or equivalent address prompt from other networks. Replace <account> with the recipient's email name; replace <subject> with the text of the subject (don't type the '<' or '>'). SUB = Subject line of network; FIRST = First line of message; KEYS = Keyline of network. * This address may change in the near future. **IGC Networks - PeaceNet, EcoNet, HomeoNet & ConflictNet: accounts on these networks address each other as <account>. See reverse for rates.

Charges for Most Common Gateways
effective 6/1/90

Network	Par Message	Par 1000 Chars	Network	Par Message	Par 1000 Chars
Association for Progressive Communication (APC)			GeoNet		
Alternex (Brazil)	.05	.20	From any host	.17	.23
