Great news about the AMSOVINO Cooperative  
office space. We are already arranging a deal in  
Helsinki for office supplies and furniture. Looks  
like we'll soon be sipping the best Napa and  
Kakhetia wines in our new office — I should be  
in Moscow in a week.  
Please get me a reservation at the Rossiya Hotel.  
I'll let you know if others are coming along.

Charlie

P.S. Hi to the Georgian guys.
