

I've received a fair amount of press coverage over the years, on some projects more than others, and less in recent years as most of the time now I prefer to take a backseat and mentor the true innovators to get coverage for themselves.

Here is a list and some articles - including some written by me.

2003-present: Sustainability

- Interviewed for "Uptake", Oct 2010, [report on SoCap10 conference on social ventures](#)
- Interviewed by NTN, June 2010, for ["Future of ICT 2020" for Dutch Ministry of Economic Affairs](#)
- Byron Shire Echo, July 2008, [A ray of Sunshine](#) , article about Beyond Building
- Byron Shire Echo, June 2008, [Put a solar panel on your roof](#) , article about Beyond Building
- Ethical Investor, Apr 2008, ["View from the Frontline"](#) , an article by Mitra about the Cleantech forum
- Ethical Investor, May 2007, ["Cleantech gets its place under the sun"](#) , an article by Mitra
- Byron Shire Echo, June 2007, [Byron Cool Business competition](#)
- Byron Shire Echo, June 2007, [Using your EGG to comprehend nature](#) , a school sustainability project.

- Byron Shire Echo, Feb 2007, [Announcement of Cool Business competition](#)
